

Task name			Status	Assigned	October 2025														November 2025																		
					06	07	08	09	10	13	14	15	16	17	20	21	22	23	24	27	28	29	30	31	03	04	05	06	07	10	11	12	13	14	17	18	19
1	<div><div></div></div> Analysis (Requirement Engineering)			Analysis (Requirement Engineering) 07/10/2025 - 14/10/2025																																	
1.1	Requirement Gathering	<div><div></div></div> Done	unassigned	<div>Requir...</div>																																	
1.2	Feasibility Study	<div><div></div></div> Done	unassigned	<div>Feasibi...</div>																																	
1.3	User Story Creation	<div><div></div></div> Done	unassigned	<div>User S...</div>																																	
1.4	SRS Document Preparation	<div><div></div></div> In progress	unassigned	<div>S...</div>																																	
2	<div><div></div></div> Design (Modelling)			Design (Modelling) 07/10/2025 - 07/10/2025																																	
2.1	Database Design	<div><div></div></div> Done	unassigned	<div>D...</div>																																	
2.2	Architecture Design	<div><div></div></div> Done	unassigned	<div>Ar...</div>																																	
2.3	Data Flow Design	<div><div></div></div> Done	unassigned	<div>D...</div>																																	
2.4	UI/UX Wireframing	<div><div></div></div> Done	unassigned	<div>UI...</div>																																	
3	<div><div></div></div> Coding			Coding 07/10/2025 - 07/10/2025																																	
3.1	Environment Setup	<div><div></div></div> Done	unassigned	<div>E...</div>																																	
3.2	Backend Development	<div><div></div></div> Done	unassigned	<div>B...</div>																																	
3.3	Frontend Development	<div><div></div></div> Done	unassigned	<div>Fr...</div>																																	
3.4	Feature Integration	<div><div></div></div> Done	unassigned	<div>F...</div>																																	
4	<div><div></div></div> Testing			Testing 07/10/2025 - 07/10/2025																																	
4.1	Unit Testing	<div><div></div></div> Done	unassigned	<div>U...</div>																																	
4.2	Integration Testing	<div><div></div></div> Open	unassigned	<div>In...</div>																																	
4.3	User Acceptance Testing (UAT)	<div><div></div></div> Open	unassigned	<div>U...</div>																																	
4.4	Security Testing	<div><div></div></div> Open	unassigned	<div>S...</div>																																	
5	<div><div></div></div> Deployment			Deployment 07/10/2025 - 07/10/2025																																	
5.1	Server Preparation	<div><div></div></div> Open	unassigned	<div>S...</div>																																	
5.2	Database Migration	<div><div></div></div> Done	unassigned	<div>D...</div>																																	
5.3	Application Deployment	<div><div></div></div> Open	unassigned	<div>A...</div>																																	
5.4	Final Checks	<div><div></div></div> Open	unassigned	<div>Fi...</div>																																	
6	<div><div></div></div> Documentation (Report writing activities)			Documentation (Report writing activities) 07/10/2025 - 07/10/2025																																	
6.1	Introduction and Scope	<div><div></div></div> Done	unassigned	<div>In...</div>																																	
6.2	System Analysis and Design Docume...	<div><div></div></div> In progress	unassigned	<div>S...</div>																																	
6.3	Implementation Details	<div><div></div></div> Open	unassigned	<div>I...</div>																																	
6.4	Testing Report	<div><div></div></div> Open	unassigned	<div>Te...</div>																																	
6.5	Final Report Compilation	<div><div></div></div> In progress	unassigned	<div>Fi...</div>
